### 'Best of Remodeling' Award Received

Haddad Hakansson LLC of Belmont, MA has been awarded "Best Of Remodeling" 2012 by Houzz, the leading online platform for residential remodeling and design. The firm, established in 2001, was chosen by the more than 1.2 million registered members of the Houzz community.

The Houzz "Best Of Remodeling" award for 2012 is given in two categories: Customer Satisfaction and Design. Customer Satisfaction award winners are based on homeowner members who rated their experience working with remodeling professionals in 12 categories ranging from architects, and interior designers to contractors and other residential remodeling professionals. Design award winners' work was the most popular among the 1.2 million members, also known as "Houzzers," who saved more than 16.5 million professional images to their personal ideabooks via the Houzz site and iPad/iPhone app.

"We are thrilled to have been selected in the Design category as the 'Best of Remodeling 2012' on Houzz," says principals, Mark Haddad and Kurt Hakansson. "We have worked consistently to maintain the highest level of standards when guiding our clients through the difficult, and often overwhelming, design process. We thrive on meeting the challenge of being simultaneously current and timeless."
